# ...BRINGING YOUR VISION TO REALITY

## Hear What Our Customers Have To Say

*"Smith Street Homes truly made our wildest dreams come true."*

**John & Jane Smith**

*"The interior designer really made our home shine. It looks like it should be in a magazine."*

**Jonathon & Janet Smyth**

*"Tom from Smith Street was an immense help. He showed me how to get more square footage from my design, while still staying within my budget."*

**Tim Smithson, Jr.**

*"My parents raised me in a Smith Street Home. When my husband and I married in 1999, we knew we wanted to raise our children in one too."*

**Janet and Jim Wackowski**

## Smith Street Homes

At Smith Street Homes, we know that a house is more than just four walls. Since 1939 our craftsmen have been building homes for families, not just buildings to live in. Smith Street Homes offers over a dozen beautiful house plans for you to choose from, and we can also custom design any home that you can imagine. Once built, our team of interior designers ensures that the inside of the home truly reflects your personality and lifestyle.
